

Out and About Summer Camp

at The Community School

2010

Welcome!

We're so excited to be spending this time with your child. To make the experience as rewarding as possible, we've put together a list of things your child should bring each day. Please be sure that all items are included as we don't have a back-up supply here.

We've also included a brief emergency and travel form for you to complete. We must have this on the first day of camp in order for your child to participate. This ensures a safe learning and play environment.

Camp begins on the nose at 9am each day and ends at 3pm. This is a long, action-filled day for these kids; please be timely so that your child has a smooth transition in and out of session.

If you have any specific questions about camp, feel free to contact us at any time.

Thanks for joining us!
